## PROFILE

David York is a **premier home care agency** dedicated to providing comprehensive in-home care services. Our **certified home health aides** and **registered nurses** are available to care for your elderly loved one in the comfort of their own home, in a hospital, or in an assisted or independent living facility.

Widely recognized as one of the best in-home care agencies in New York City, David York Home Healthcare has helped individuals and families live happier, healthier and safer lives for **more than 30 years**. We have built our reputation on providing the **highest quality care to Manhattan, Brooklyn, Bronx, Queens, Staten Island and Nassau County residents**.

## SERVICE

David York Agency offers home health aides to residents of New York City and Nassau County for non-medical home care for an array of conditions in varying age ranges.

We cater to all aspects of a senior's individual and elder care needs including Alzheimer's & dementia care as well as specialty care services for chronic medical conditions.

All our home health aides have a valid Home Health Aide Certificate from a NYS Department of Education approved training program. They also undergo regular in-service training of 12 hours per year on site at our agency in order to keep their certificates current and the aides abreast of the latest policies and procedures.

## MISSION

Established in 1984, our mission is to furnish the highest quality home care service. We strive to maintain our clients' independence, dignity, and self-esteem while furnishing the support and care needed.

We seek to provide a supportive environment in the privacy and comfort of your own home while providing professional home healthcare placing a premium on personal service and attention.

Our agency supports all your rights as a home care client and encourages your involvement in the planning of your care and services.

## PHILOSOPHY

Our home healthcare agency understands that caregiving is a process that demands compassion, caring, patience & expertise. Our goal is to make you and your loved one feel happy and at ease.

Families are encouraged to participate in the decision making regarding the care of their loved ones as well as the on-going home healthcare our caregivers provide. We also offer you the opportunity to interview the prospective caregiver in advance.

With over 30 years of in-home care experience, our compassionate team of caregivers is committed to your continued safety and security at home.

## WE CAN HELP

When you are faced with the challenge of finding the best in-home care provider in New York City to help care for the emotional and physical well-being of someone you love, maybe your mom or dad, you will want to be confident that you are making the right choice.

At **David York Home Healthcare Agency**, **extraordinary service** is what sets us apart from other home healthcare agencies. Whatever your care needs, **we are there for you, always striving to exceed your expectations**.
